spettacolo in doppia lingua inglese-italiana

Viola's Magic Friend ha l'obiettivo di condurre gli alunni delle ultime tre classi della scuola primaria e della prima classe della scuola secondaria di 1° grado nell'apprendimento di una lingua straniera lavorando sulla necessità di comunicare, innescando la curiosità per ciò che appare o suona "diverso", arrivando al gioco. Gli alunni saranno coinvolti direttamente durante lo spettacolo. Lo spettacolo è recitato in lingua inglese e italiana con l'ausilio di parti mimiche, immagini, scritte e canzoni.

I genitori di Viola hanno ordinato un robot di ultimissima generazione che fa le pulizie. Viola è a casa ammalata e il pacco è stato recapitato mentre i suoi genitori sono al lavoro. È uno scatolone enorme. La mamma ha raccomandato a Viola di attendere il suo ritorno prima di aprirlo. Nel frattempo dovrà riposare e cercare di fare un po' di compiti.

Ma un imprevisto farà sì che Robbie, il robot "superpulitore", si attivi uscendo dalla scatola.

Viola sarà perciò, suo malgrado, costretta a istruirlo per evitare che faccia dei danni.

TEACHING SHEET

SUMMARY

Viola is at home, she's not a school because she's not well.

But today she feels better.

Mum and dad are going to work. "Do your homework" they tell her.

Viola has to study English.

But she doesn't like it. She is timid when she speaks English.

Now she's doing her homework, then she sees a big box in the living-room.

It's her dad's box, it isn't Viola's box. So she can't touch it.

Viola can't resist.. she stops doing her homework, and she looks closely at the box.. and..well... she only reads the instructions on the box, really! But suddenly... SURPRISE!

A little problem that Viola has to solve.

She now absolutely needs to practice her English. Oh, no.. she feels so timid when she speaks English!

She really doesn't like it at the beginning... but then she meets Robbie, they make friends and then Viola starts to like English.

She even sings in English, and she dances a real typical Scottish Dance.

She learns how to prepare pizza!

And she also teaches her new friend Robbie what monkeys are, how elephants walk and how lions roar (because Viola did a safari once).

Viola and Robbie learn a poem together, they create a song, they have great fun!!

And.... surprise! She doesn't feel timid any more when she speaks English.

Thank you Robbie!

But, wait a minute!... Oh no! It's twelve o'clock and mum and dad are coming home now!

Viola has to clean up all the mess she made with Robbie..

Robbie, Robbie... where are you!?
